

# Thanks to a professional team

Sir - We would like to express our sincere gratitude to a truly professional and efficient team

- Mamba Strike Force. From all those in the control room to the technicians and of course the

reaction officers, you guys are simply the best. Due to the extremely quick and almost unbe-

lievable response and reaction time from the team, a potentially dangerous situation was avoided at my residence in Edenglen in the early hours of the morning on January 23 when three men gained entry into our property by lifting the electric gate off its tracks and sliding it open.

## Response

Within five seconds of activating our panic button, Mamba responded (thanks to Sonja and Frans) and within less than a minute, two patrol vehicles with reaction officers, Gert and Johan, were at our gate.

This is not the first

time as, since we changed security companies with our business (also in Edenglen), Mamba have always responded immediately - no matter what - and we have had no further criminal incidents since then.

Not only is their response and reaction time incredible, but all those that we have had contact with at Mamba are always positive, friendly and helpful.

Congratulations to Mamba. The Edenglen community cannot do without you. You guys really do make a difference.

Marselle Berger
