

Viva Mamba Strike Force

Sir- On behalf of myself and my family, I would like to say a humongous thank you to Koos de Jager, Aldo Whitaker, Rocco O'Neal and Philip Harmse from Mamba Security for responding so quickly to the break-in call, for apprehending the suspects, waiting for us to return and inform us of the break-in, for escorting us into the house, for contacting the police, waiting with us for the police to arrive, sitting through the whole statement-giving phase and finally leaving only after everyone had left and we all felt a little calmer.

You guys are absolutely phenomenal.

A very big thank you to my friend in the park for noticing that something was not right and for phoning Mamba Security.

Without you and Mamba Security we would have lost a great deal, instead we have gained our faith in the human race, made some good contacts and are ever grateful to you all.

Alex, Marina and family,

Edenvale.
